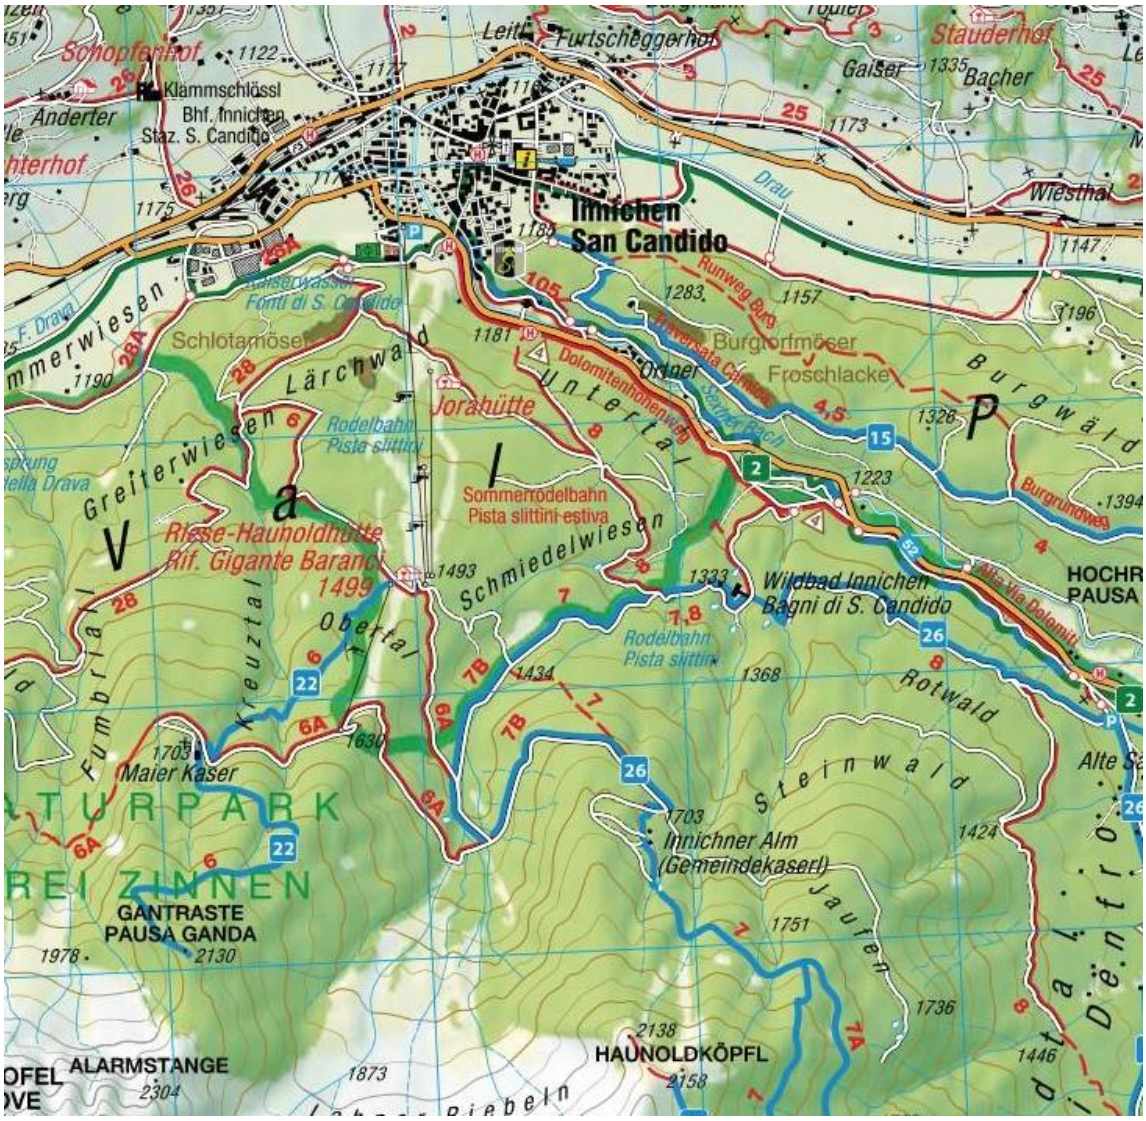
Description of the way: From the Berghotel we take the car/bus to San Candido to the valley station of the Baranci chairlift. From the mountain station we go down to the Untertal ski lift. From there, the small hiking trail no. 6 leads in the direction of the "Maierkaser" and continues quite steeply to the Grantraste (2,130 m). Once you have reached the top, you can enjoy a wonderful view over San Candido.

Alternative 1: From the parking lot at the Baranci valley station, walk to the mountain station along trail no. 28 until you reach a crossroads. After approx. 1.5 km we come to a junction where we turn left and take trail no. 6. Follow this trail to the Baranci mountain station. With this variant, the tour is extended by 314 metres of altitude and 2.8 kilometres


Alternative 2: From the Alte Säge parking lot you walk to the Baranci mountain station. First via trail 8 and then continue via trail 7 and 6A to the mountain station. This variant extends the tour by 277 metres of altitude difference and 4.6 kilometres.
