

### 3. Strada degli alpini (2717m)

the famous via of the 1<sup>st</sup> World War (easy/medium)

Berghotel – Prati di Croda Rossa – Costoni della Croda Rossa - Forc. Sentinella – Forc. Undici – Rif. Comici – Val Fiscalina - Berghotel

- **Description:** the difficulty of the ferrata is depending from the weather conditions, especially in springtime you can find snow between the Forc. Sentinella and the Forc. Undici. Please inform you, before you start the ferrata! Less problems are in the part from the Forcella Undici to the Busa di Dentro; the most difficult part is the ascent to the Forcella Sentinella. *The Strada degli Alpini is also proposed in our EXCURSIONS STARTING FROM THE BERGHOTEL with the nr. 14 detailed description!*
- **Starting point:** Meadows of the Croda Rossa (1914m); the lift is open from the beginning of June to beginning of October
- **Duration:** total 7 ½ hours, ascent 3 ¼ hours, Strada degli alpini 2 ¼ hours, descent 2 hours to the Fondo Valle hut
- **Difference of altitude:** ca. 800m
- **Indications:** Croda Rossa ferrata- red triangles, Passage to Forc. Sentinella largely unmarked, Strada degli Alpini n. 101, descent in Val Fiscalina n. 103
- **Highlights:** the Busa di Dentro is the famous photo shooting place of the ferrata; view to the Dolomites of Sesto; steel ascent to the Forcella Sentinella
