

23) At the Corno di Fana / Pfannhorn – a wonderful vista point above Dobbiaco

At a quick view: Parking Silvesterkapelle/Bodenck – Malga Silvestro – Bonner Hut – Corno di Fana

Starting point	parking Bodenck (accessible from Dobbiaco, Haselsberg, Lachwiesenhütte)
Difference in altitude	Ca. 870 m
Highest point	Corno di Fana (2.663 m)
Length of trail	Ca. 16 km
Time of walking	Ca. 6 hours
Difficulty	••••○
Huts	Malga Silvestro or <u>Bonner hut</u>

Description of the way: From the Berghotel we go by car to the Bodenck parking area. From there we hike along trail no. 1A to the "Malga Silvestro". Trail no.1 takes us further to a crossroads, where we take the left path towards the Bonner Hut. We walk past the Bonner Hut (2,307 m) and continue to the top on the Dobbiaco Pfannhorn (2,663 m). The descent is on the same path. **Physical requirements:** long and strenuous excursion, but easy trails

Panorama: wonderful round view to the Dolomites, one of the best! – Also the terrace of the [Bonner hut](#), a very cosy and well managed hut, could be in a movie!

Indications: Trained people can proceed from the summit to the Markinkele (2545m), descent to the Silvester Alp and back to the starting point, or decent earlier on path nr. 1B
