

## 24) In the Val Campo di dentro (Innerfeldvalley) – around the Monte Mattina / Morgenalpenkopf

**Starting point:** last parking place in the Val Campo di Dentro (1509m) at the Antoniusstein. If you arrive there after ca. 9 am you need to take the shuttle bus to the upper parking

**At a quick view:** Parking Valley Campo di Dentro – Passo Grande dei Rondoï – Rif. Locatelli –Malga Mattina – Parking

**Difference in altitude:** 1100m on rise and descent

**Highest point:** South- est shoulder Torre dei Scarperi (2519m)

**Time of walking:** 6 hours (Parking place – Passo Grande dei Rondoï – Rif. Locatelli 3 ½ till 4 hours, Rif. Locatelli – Malga Mattina – parking place 2 hours)

**Trail:** Nr. 105 until the end of the valley, than nr. 11 on the right and back down again the nr. 105

**Huts:** Rif. Tre Scarperi (middle May till middle October), Rif. Locatelli (middle June till the end of September)

**Physical requirements:** a long excursion with a very, very short and easy via ferrata

**Panorama:** after the Passo Rondoï

/Wildgrabenjoch perfect view to the Three Peaks, the Monte Paterno and more. After every step you see “growing” the Tre Cime

**Indications:** this is a very good possibility to get close to the Tre Cime without many persons. At the Passo Rondoï there is a very easy and short passage with a fixed rope.
