

# Snow shoe hike 3: Three Peaks/ Tre Cime / Drei Zinnen

**Starting point:** Moos/Berghotel (1370m)

**At a short view:** Berghotel – Fischlein Valley – [Fondo Valle hut](#) – Three Peaks - Berghotel

**Difference in altitude:** ca. 1.000m

**Time of walking:** ca. 6-7 hours

**Difficulty:** 5

**Description of the way:** From the Berghotel with the car or bus or walking to the last parking place at the Fischlein Valley. Here we take the way 102/103 to the [Fondo Valle hut](#) ([Talschlusshütte](#)). On the right side starts the way light upwards to a crossing where we follow the traces on the right side way nr. 102 towards the Tre Cime. In the summer you can also go left to the [Comici hut](#) and make the round to the Three Peaks. After 2,5 h you reach the [Drei Zinnen hut](#) and you will see the amazing Three Peaks in a spectacular winter landscape. Enjoy the silence and the view!

**Tips and advices:** You absolutely need snow shoes (you can hire them at the Berghotel) and if you have experience you can also go with the alpine tour skiers (hiring in all sport shops). This tour is high alpine and possible only with good weather and not with fresh snow! Ask always for the avalanche situation!! (at the reception)

**Summary:** the best winter excursion with an incredible view to the Three Peaks.
