

Winter hike 1: Malga Nemes

Starting point: Moso/Berghotel (1370 mt)

At a short view: Berghotel - Froneben – malga Nemes – Passo Monte Croce - Berghotel

Difference in altitude: ca. 500 mt.

Time of walking: ca. 4 hours

Difficulty: 3

Description of the way: From the Berghotel up on the Klamm to the Froneben hut/restaurant (1540 mt.). We follow the path nr. 139 until we reach a larger trail with the nr.13. Here on the left. We leave the wood, pass a high cross and after ca. 30 min. we arrive at the malga Nemes hut (1.877 mt.; restaurant). From the malga Nemes there is a wonderful view at the Dolomites of Sesto and the mountains of the Cadore/Comelico. There is the possibility to go on for 45 min. and to reach the malga Coltrondo – a beautiful hut in the wood where the path is well signed. From either huts (Nemes and Coltrondo) in 1,5 h you can reach the Passo Monte Croce. From there we take the autobus or we walk back (ca. 1, 5 h) to Moso and the Berghotel.

Indications & advices: for this beautiful tour you need no car, but a good map can be useful. The tour can also be done the other way round starting at the Passo Monte Croce (reachable by bus) saving ca. 250 m of altitude.

Summary: a wonderful winter tour with a beautiful hut where to have a rest for lunchtime.
