

## Pesto of basil (For 4 Person)

Ingredients            100 ml of olive oil  
                                 1 tablespoon of pine nuts  
                                 1 tablespoon of grated  
                                 Parmesan

Condiments            40 g basil  
                                 20 g parsley  
                                 ½ hacked clove of garlic  
                                 2 drops of Tabasco  
                                 pepper  
                                 salt

- Wash the basil and the parsley leaves and dry it with paper. Mix the olive oil, pine nuts, garlic in a mixer finely. Season the pesto with salt, pepper, Tabasco and grated Parmesan.
