TOP OF SOUTH TYROL

- | | | | |
|-----|--|-----------|----------|
| 364 | Pinot Blanc Riserva Sanctissimus
<i>Essence of the Pinot Bianco. To give to our leading variety Pinot Bianco an additional facet, we decided to create from a particularly steep and south-facing location with probably the oldest Pinot Blanc vines from Alto Adige another milestone. The result is a harmonious connection between soil, variety and vintage, realized by the gentle fermentation on the skins in small clay amphorae. Due to its natural balance, its character and the juicy structure the wine offers a unique sensory experience.</i> | St. Pauls | 114,20 € |
| 365 | Pinot Blanc Rarität 2004
<i>Cantina Terlano has an unusual offering in the form of its Rarities, special editions of mature white wines that have been left to age on the lees in steel pressure tanks for at least ten years. The Rarity is a Pinot Bianco with a youthful freshness that belies its maturity. That makes it perfect for a long period of aging in the bottle. Terlano has the terroir to produce great white wines, as its Rarities so convincingly demonstrate.</i> | Terlan | 124,40 € |
| 366 | Terlaner Grande Cuveé 2013
<i>The quest was for the perfect creation, one capable of expressing the authentic, innermost character of Cantina Terlano, for a wine that would embody our tradition of more than a hundred years and would combine the strengths of our very best varieties and vineyards. We have achieved that goal. The result is the Terlaner I Grande Cuvée. The wine's elegance and perfect balance are the product of its remarkable structure and subtle texture, which give the wine its unmistakable character. Its extremely long finish is more than pleasant; it leaves its mark in memory as the supreme expression of a mineral terroir that is unique in the world</i> | Terlan | 201,50 € |
| 367 | Blauburgunder Riserva Vigna Ganger
<i>The winery of Giran has developed a leading position among Pinot Noir producers. The wine flavor of ripe fruits, cherries and sour cherries, forest fruits, raspberries and a light marzipan taste. In the taste elegant and refined, very penetrating, with good acidity and condiment. This Blauburgunder has a filigree and complex structure, as well as soft and balanced tannins.</i> | Giran | 153,50 € |
