Tour details:

A real dream tour, but one that requires very good fitness and riding technique. Start from our Berghotel with your car (approx. 30 km) to **just before Cortina**. From the **San Umberto car park**, the route is initially hilly to **Rastua Hut**, followed by an extremely steep climb to the **Fodara Vedla Hut**. After a steep descent to **Pederü**, there is a strenuous climb to **Fanes Hut**, but with a fantastic panoramic view. From the Fanes Hut, there is another 2 km **extremely steep ascent**, followed by a leisurely descent over the **Passo di Limo** with Lake Limo back to the **starting point**. This tour can also be started directly from our Berghotel, extending the tour by approx. 60 km and 500 metres in altitude.

The tour can also be done by e-bike.
