Tour details:

Start from the Berghotel via the **Kiniger farm** to **Sesto** past the church to **Monte di Mezzo**, from there turn left towards the **Larice Hut** and continue towards the **Restaurant Monte Elmo**. Shortly before this, the descent to the **Jäger Hut** begins. Enjoy the marvellous view of the Sesto mountain sundial from the terrace with a hearty snack, then descend towards **Restaurant Waldruhe** and back to the **starting point**. Between the Jäger Hut and Restaurant Waldruhe, it's worth making a stop at the **Forest Chapel**. The Forest Chapel is hidden in a wooded area with a special, mystical atmosphere and was used as a hiding place to hold church services during the war.

The tour can also be done by e-bike.
