Tour details:

This tour starts directly from the Berghotel in the direction of **Sesto**, below the church it then goes along an asphalt road to Monte di Mezzo. Pass a fortress from the First World War on the **forest path towards the Nemes Hut**, after a short, very challenging climb just before the **'Negerdorf'**, the route then takes a leisurely route to a high moor just before the alpine hut, turn right over a **wooden bridge** towards the **Passo Monte Croce**. Once at the pass, follow the main road towards Sesto for approx. 200 metres, then turn **left** and follow the **'Stoneman sign'** to the **Croda Rossa Meadows**, which are relatively challenging. After a short rest on the Croda Rossa Meadows, take the **bobsled run** to the **valley station of the Croda Ross cable car** and back to the **starting point**.

The tour can also be done by e-bike.
