Tour details:

Start in **San Candido** at the **Baranci lift valley station**. Ascent via the **forest road** to the **mountain station**, from there continue **towards** the "**Maier-Kaser**" and then via a **narrow trail** to the "Elsler-Kaser", followed by a descent via a forest path to **Lake Dobbiaco** and via the cycle path towards **Villabassa**. Shortly before Villabassa head towards "**Bad Maistatt**", before "Bad Maistatt" turn right to the **Putz Hut (trail no. 15)**. **Very steep ascent** (approx. 6 km) to the Putz Hut. After the Putz Hut, continue uphill for approx. 10 minutes and then downhill to "**Bad Altprags**". From "Bad Altprags" take the **cycle path** in the direction of **Villabassa** to the centre of the village on the main square and from there via the street on the left side of the valley via the cycle path in the direction of **Dobbiaco** to **San Candido** back to the **starting point**.

The tour can also be done by e-bike.
