Tour details:

Start from the Berghotel in Sestovia the cycle path to **San Candido**, in the direction of the **hospital**, turn **left** there and after approx. 500m cross the road and go through the **tunnel**. After this, turn **left** and follow the signposted cycle path to **Prato alla Drava**. There you will find the next connection to the cycle path behind the **Carabinieri** (police) **station**. From the first Austrian village of Arnbach, the cycle path continues **along the Drava** until you reach your destination of **Lienz**. At the Stadium Lienz, you cross the Drau one last time and turn left towards **Lienz railway station**. There are numerous rest areas and refreshment stops along the way.

The return journey is either by bike or by **train** (tickets can be purchased directly at the train station in Lienz). The last section from San Candido to Sesto is travelled along the cycle path.

Tip: If you don't want to drive all the way to Lienz, you can also stop earlier. The train also stops in Versciaco, Sillian, Tassenbach, Abfaltersbach, Mittewald and Thal. Alternatively, the cycle tour can also be started in San Candido at the railway station or at the "Punka" in Versciaco.

The tour can also be done by e-bike.
