### Tour details:

Start from the Berghotel in Sesto via the cycle path to **San Candido**, in the direction of Baranci/Industrial Zone, past the Senfter factory. **Before the railway crossing**, continue straight on to the **left**. The cycle path that leads to **Dobbiaco** now begins. From there, continue straight ahead on the cycle path to **Villabassa**. Shortly before the campsite, you cross the road and railway line through a subway, then cross the road again at the end of the village. Continue along the cycle path to **Monguelfo**, from where you continue **towards** the **Valdaora reservoir**. Shortly after the lake, you reach a tarmac road that leads through the entire village. From Valdaora, the route continues to **Perca**. Then it goes through a few **tunnels** until you reach **Brunico**.

The return journey to San Candido is by **train** from Brunico or Brunico Nord station. The last stretch from San Candido to Sesto is on the **cycle path**.

**Tip:** Alternatively, you can also start the tour in San Candido at the railway station.

**The tour can also be done by e-bike.**
