Tour details:

Start from our Berghotel via the **cycle path towards San Candido**, approx. 2 km after the entrance to the Innerfeld valley, turn **left** to the **Haunold**. Past the former **thermal springs**, a wide and challenging forest road leads to **Monte Baranci**. Once there, a flowing trail leads past the **Jora Hut** hut to San Candido. A short detour into the village of San Candido and then it's down to business, with very challenging climbs along the Via Burgweg to the **Jäger Hut** and from there to **Monte Elmo**. This is followed by an enjoyable descent over the **Monte di Mezzo**, towards the **Helmhang Hut** to Moos and back to the Berghotel.

The tour can also be done by e-bike.
