Tour details:

Start from the Berghotel in Moos along the cycle path to **San Candido**, continue to **Dobbiaco**, turn left onto the cycle path **towards Cortina** until **Carbonin**. After Hotel 'Ploner', you reach the **Prato Piazza meadow** after 7 km and approx. 1 hour on the **forest road**. Croda Rossa d'Ampezzo and the Picco Vallandro follow you along the Prato Piazza meadows, after a short rest at the rustic Prato Piazza Hut, continue to the Hotel "Hohe Gaisl", turn **left** towards the **Stolla Hut**, here a flowing trail (technically medium) leads you to **Ponticello**. Immediately after the parking lot, take the hiking trail to **Braies di Fuori** on the left. After approx. 10 km, you will reach Braies di Fuori via this partly lively trail, from where you can return to the starting point in the direction of **Villabassa**, **Dobbiaco** and back along the cycle path to our Berghotel.

Tip: take a detour from Prato Piazza to Monte Specie (2,400 m), approx. 300 altitude metres, with a fantastic view of the surrounding Dolomites

The tour can also be done by e-bike.
