## 7. HOMELAND TRAIL

🕒 2,5 h

📍 17 km

⚠️ 1.000 hm

🚲 S3 - S4

### Tour details:

Start from our Berghotel in Moso in the direction of **Sesto** to the church, from there via the panoramic road to **Monte di Mezzo** and on via the **Larice Hut** to the **Monte Elmo**. From there, continue to the **Gallo cedrone Hut** and then along a wide, easily rideable path towards the **Sillianer Hut**. Halfway along the ridge towards the **Monte Elmo Hut**, the **Homeland Trail** is clearly visible on the **right** towards the valley. The trail starts off with a slight flow and then gets straight down to business, relatively **steep** but very good surface and many **hairpin turns** towards 'Negerdorf', on to the **Pendio Monte Elmo Hut** and then via the **"Trojer farms"** into the valley to our Berghotel.

The tour can also be done by e-bike.
