🕒 6-7 h

📍 21 km

⚙️ 780 hm

## Description of the way:

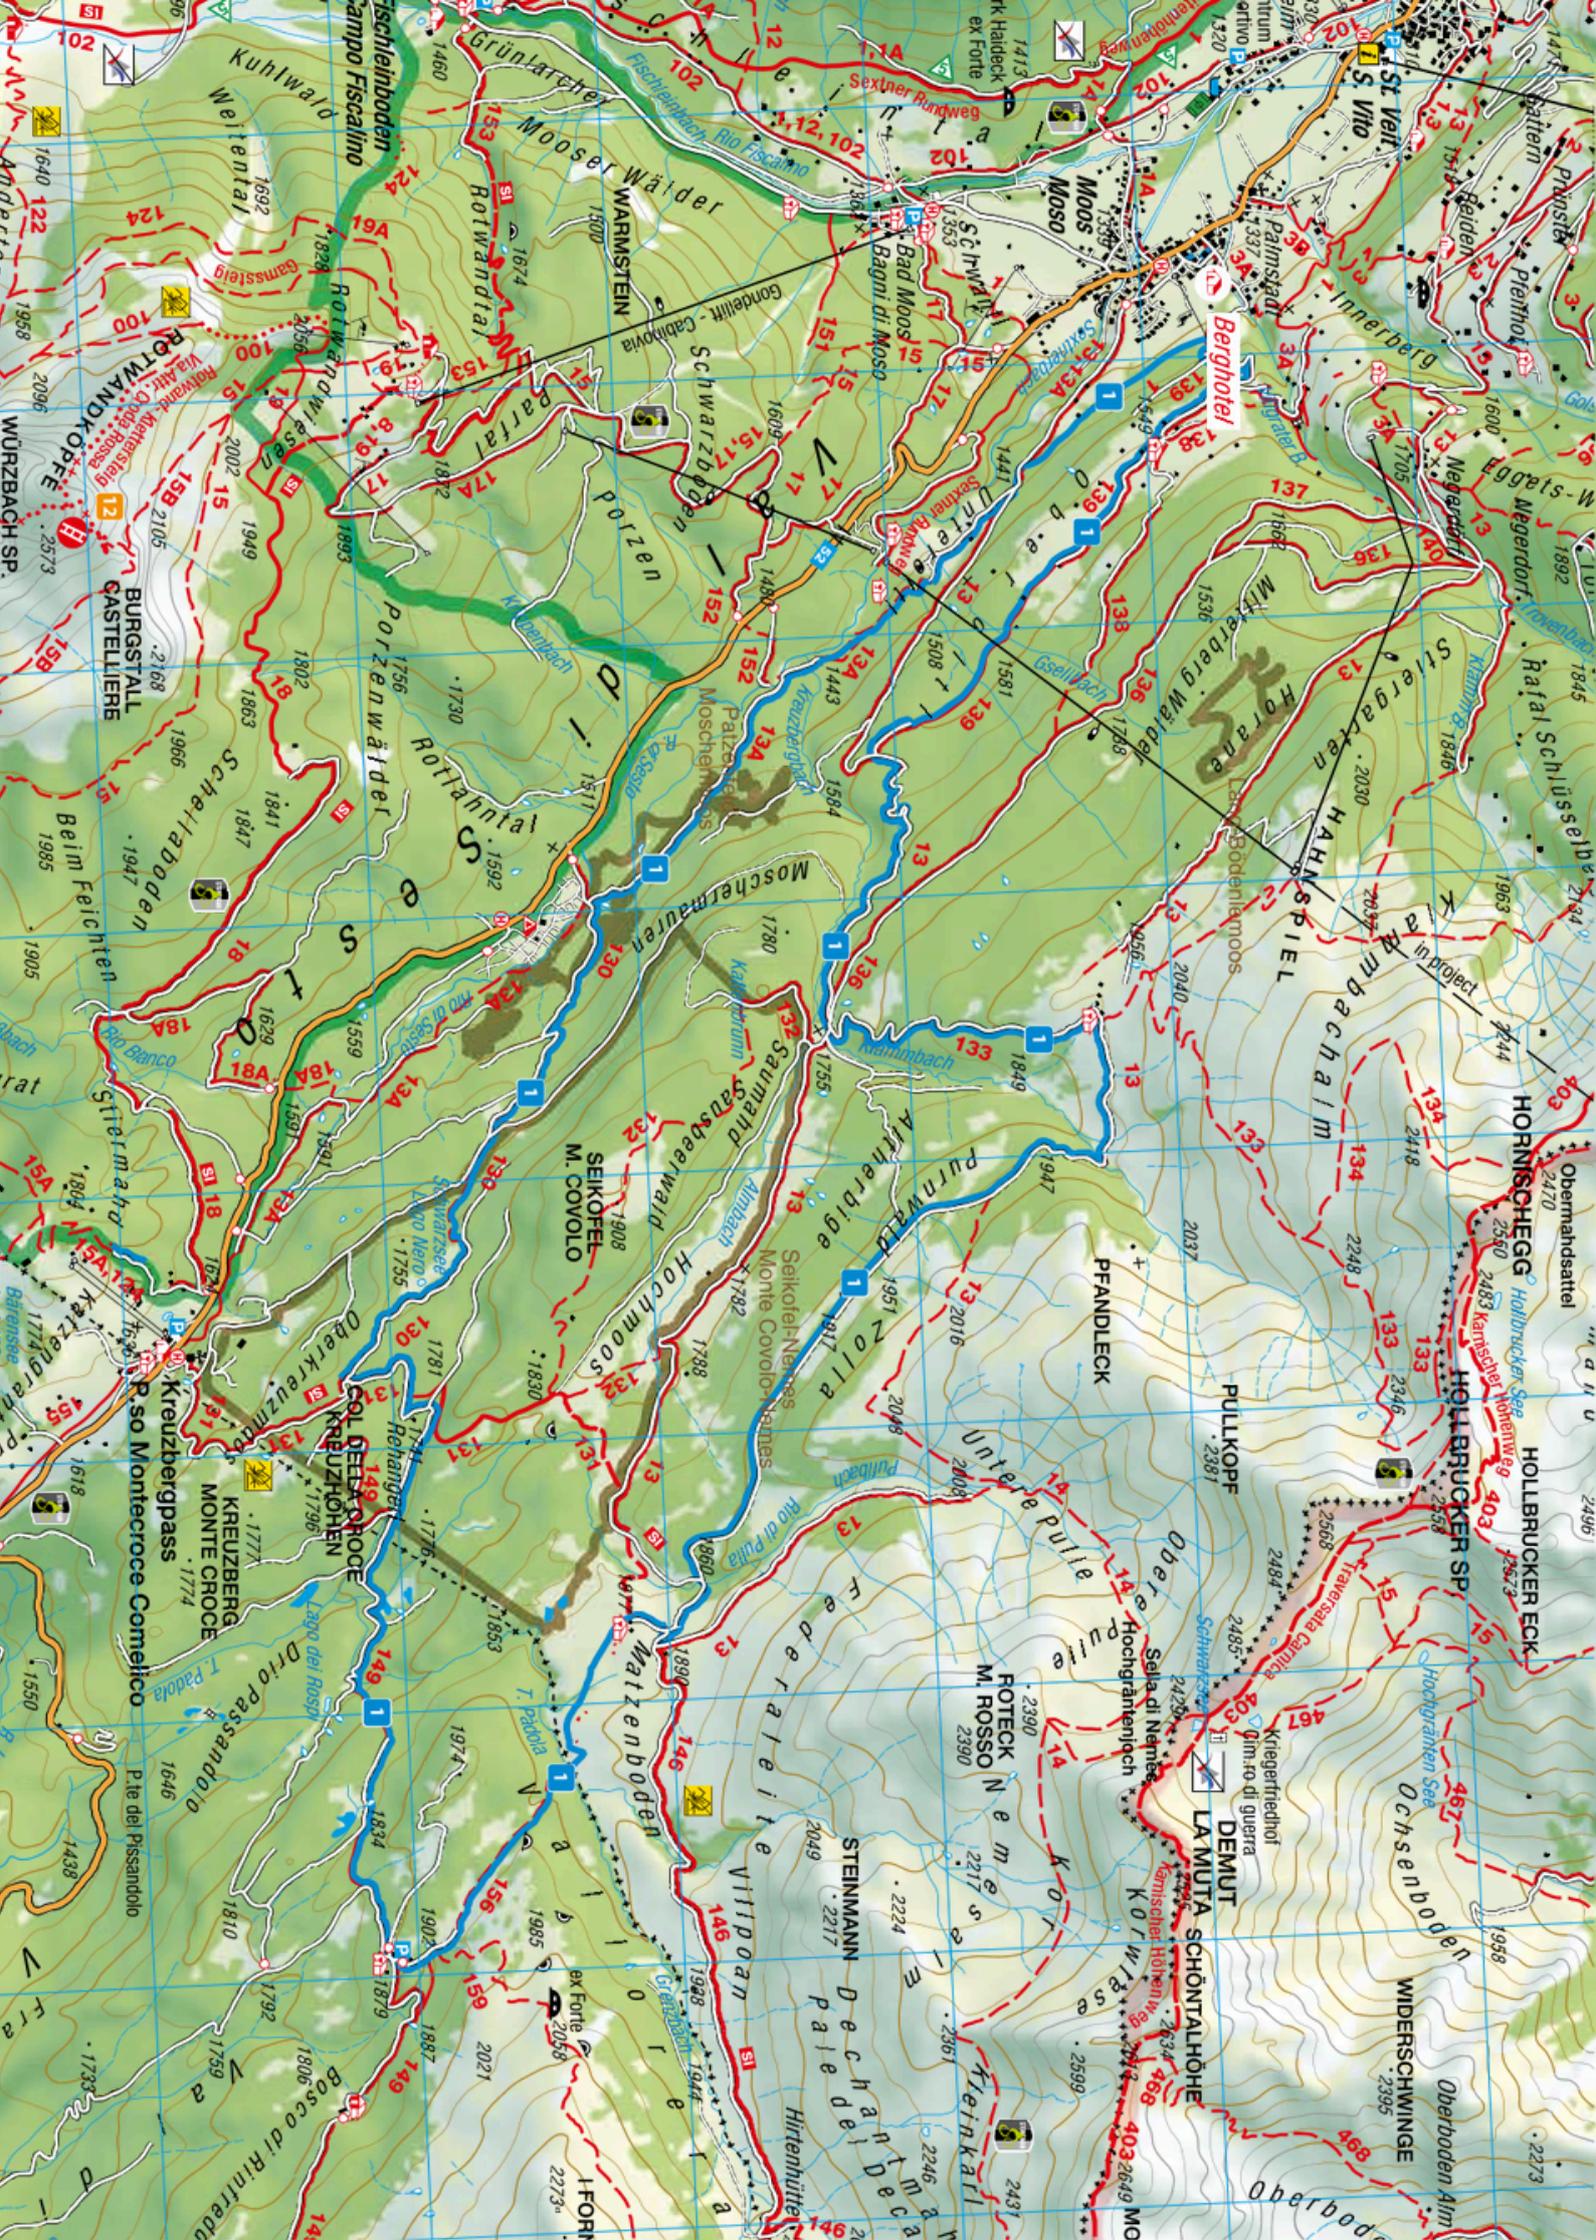

Starting from **Berghotel**, the trail ascends to **Froneben** hut (1540 m) at the first right fork. You follow trail no. 139 through the „Obere Oltl“ high moor to forest road no. 13. Pass through dense spruce forests along Sesto stream gorge. At a fork near a high crossroads, turn left on path no. 133 to reach the mountain pasture **Malga Klammbach** (1944 m) after about two hours. Continue along Alta Via no.13 from Malga Klammbach, crossing south-east to reach the mountain pasture **Alpe Nemes** (1877 m). Trail no. 156 descends briefly, then crosses wooded slopes to the mountain pasture **Coltrondo Alm** (1879 m). Take the path no. 149 to Passo Monte Croce where you pass the **Lago Nero** (1741 m) after crossing a forest ridge. Descend to the „Patenfeld“ campsite, returning via path no.13 A or 1.

## Advices:

From the Coltrondo hut directly to the Kreuzberg Pass and than back by bus it's ca. 45 min. less. The tour can also be made reversed starting from the Kreuzbergpass (reachable by bus) saving 300 m. The tour becomes also shorter by doing only one or two huts.

## Summary:

A wonderful panorama tour with the mountains of the Dolomites of Sesto and the natural clock formed by the mountains and beautiful huts.
