

THE LITTLE ROCCA OF THE BARANCI PEAK

🕒 6 h

📍 16.2 km

📏 940 hm

Description of the way:

Take the car or bus to the **Val Campo di Dentro** parking place. The hike starts there on hiking path no. 8 towards the Bagni di San Candido. Pass by the Bagni di San Candido and at the next crossroads stay on the same path, which becomes path no. 7. Follow this path to the summit of the **Piccola Rocca dei Baranci**. The first part of the descent follows the same path (no. 7) until you reach a fork in the path. There, turn right onto trail no. 7A. This leads towards the Val Campo di Dentro. As soon as you reach the parking place **Sasso di San Antonio/Antoniusstein**, you have the option of taking the bus back to the parking place **Val Campo di Dentro** or hiking back to the starting point via path no. 105.

Panorama:

From the Piccola Rocca dei Baranci beautiful round view to the Cima Tre Scarperi, Three Peaks, central alps and the group of the Baranci.

Indications:

The tour can be done also starting at Innichen going up by funicular to the Haunoldhut. After a short descent starts path 7B going up. From the parking Antoniusstein every half hour waits a shuttlebus.

Physical requirements:

Medium and not too difficult tour.
